PRN 2091101

By its request (PRN 2091101), Harrah's Atlantic City Operating Company, LLC d/b/a Harrah's Resort Atlantic City ("Harrah's") seeks an amendment to its Casino Hotel Alcoholic Beverage (CHAB) license to authorize an outlet to be identified as the "The Baywalk." The Baywalk outlet will be located on the outside deck area commonly known as the Baywalk which is adjacent to and directly outside of its Poker Room. The Baywalk is intended for the retail sale of food and beverages, including alcoholic beverages. For such use, The Baywalk would be designated as a Type II CHAB location within Harrah's. The Baywalk would be open to the public for the service of alcoholic beverages annually from March 1 through November 1.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the request be granted and authorize the amendment of the CHAB license of Harrah's to include a Type II location to be known as The Baywalk with the following condition:

Harrah's is to conduct The Baywalk in accordance with the descriptions and representations contained in its Petition, including its security plan.
